Happy Holidays to Our Families!

As the Holiday Season and the end of the year is upon us, it is important to pause and reflect on how much growth your kids have made from August until December. It is easy to get lost in the hustle and bustle of life.

2022... What a crazy year!

Elba Public Schools has been making strides. I am proud of the students for their growth these last three years. I have seen the students maintain their discipline, which I am proud of. Please take time to celebrate your students' growth academically, emotionally, and behaviorally. We have great students, and they make me laugh and celebrate each and every day!

Elba Public Schools is in its second year of House meetings. I feel the House qualities have started excellent conversations. What is Respect? What is Integrity? What is Responsibility? What is Courage? What do these characteristics look like? And lastly, catching the kids using these traits and giving each one of them a house ticket when well-deserved.

Elba Public Schools is reflecting on their curriculum. There is a group of ladies who have been attending meetings at the ESU #10 to learn about which math curriculum will meet the needs of our elementary students and then transition into middle school, continuing onto high school.

Elba Public Schools is continuing to implement a new camera system which gives more details and accountability for staff and students. We are waiting for a few more cameras to finish the project.

Elba Public Schools is maintaining their enrollment. Currently, there are 57 High School students and 66 Elementary students, totaling 123 students.

Elba Public Schools has wonderful community support. I am amazed at how the Parent Teacher Organization (PTO) supports our students and staff through their time and resources. I appreciate it! I am awed by the individuals who take it upon themselves to develop fundraisers for people in need.

Elba Public Schools is continuing to move forward, and we are not looking back! It is remarkable to find a school which still possesses PK through 12th grade traits. We are a small school with big ideas, and we will continue to grow.

Happy Holidays,
Ms. Allison Pritchard

The One Act members worked very hard to perform their best this year. The cast members were: Jamie W., Deanna F., Weston K., Meleyna K., Maycee R., Trevon R., Amanda S., Jesse M., Reagan A., Aryana U., Jackson R., Mackenzie L., Alana B., and Aryan W. The crew consisted of: Brendon K., Bryson E., Logan A., Tyler M., Quentin D. They hosted BlueJay Fest on Wednesday, November 16th. There were 15 different schools that came to the competition. Elba placed 3rd, with the following actors receiving awards: Jaime W., Deanna F., Weston K., Meleyna K., Trevon R., Jesse M., Aryana U., Jackson R., and Maycee R. The actors that won awards at the Goldenrod One-Act competition in Central City were: Weston K., Maycee R., Jesse M., and Trevon R. One-Act hosted a Drama and Dessert community performance on Nov. 29th, and they competed in Districts on Dec. 1st. Thank all the supporters and parents of the One Act members who helped or watched some of the plays. And Happy Holidays.

On Nov 2, the Spanish students joined Mr. Chvala and his classes at Central City to experience their first Spanish concert. Justo Lamas Group was hosting Edgar Rene, an international Spanish singer, on his "Viviras 2018-2019" tour that celebrates life and encourages students to live with enthusiasm. There were 18 other schools from around Nebraska that had joined. We had 9 students that attended. Before the concert, Mr. Chvala had a meet-and-greet activity for our students to meet the other students in his classes from Palmer and Fullerton. At the end, he gave them the treat of getting donuts. It was a lively concert with a lot of cheering, clapping, and jumping. Every so often after a few songs, Edgar would invite students on stage. One of these times included a very comical tongue-twister competition where 3 student volunteers had to battle and say a hard tongue-twister in Spanish with as little errors as possible. Maycee and Amanda joined Edgar up on stage and danced the macarena and the salsa with other students from the various schools.

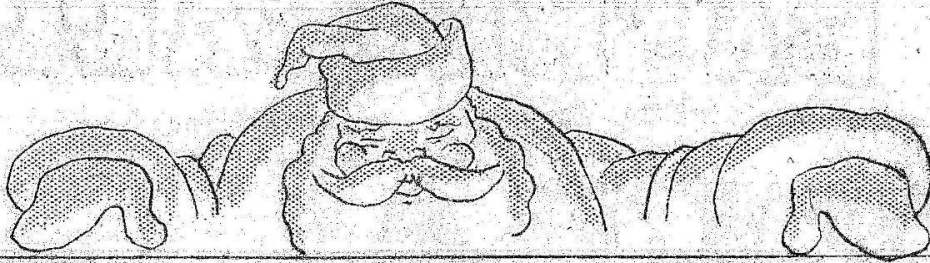

After the concert, we went to the authentic Mexican restaurant, El Egave, where we had some great food.

It was a great experience for the students with a great message of living life to the fullest. Thank you to the school for providing this opportunity.

We have some incredible resources available in our communities. Whether or not families know about them, can access them, or can qualify for them seems to be a major system issue. Moments of crisis for families is something the Behavioral Health System of Care is focusing on, partnering with the **Nebraska Family Helpline** as the #1 resource for help. Helpline operators are trained and can assess immediate safety needs, identify the potential level of crisis, and make recommendations or referrals to appropriate resources. If needed they can help callers connect to emergency resources or providers. The Nebraska Family Helpline can help find providers and community resources for help.
