PLEASE, PLEASE, PLEASE

TEMPERATURES OUTSIDE!

THANK YOU! 🧊

As we enter second semester I wanted to communicate to parents how smooth the return to school has been. The students did return to learn & their effort, attendance, and behavior has improved. It is important to celebrate students who are improving and continue to show effort in their own personal growth. From my educational experience, I do know the third quarter by far is one of the most difficult quarters for students. Please support them, and encourage your student(s) to continue growing socially, academically, emotionally, and physically. The staff and administration is here to support them. I wanted to celebrate the second quarter first semester attendance and honor roll.

Sincerely,
Ms. Pritchard

Lady Jays Basketball

It's now February and the girls' basketball team has completed almost all of their games with improving confidence. It's hard not to be proud of such a hardworking team and we're hoping that the girls will be finishing this year of basketball strong. Our team has 4 wins so far, and are working hard to get more before post season. We're also holding a lot of hope that our fellow Bluejays fans will be joining our Lady Jays to show them neverending support! Please come out and show your support. We will be competing in the following games in February: Friday, 3rd vs Twin Loup at Home; Tuesday, 7th vs. Riverside at Spalding; Thursday, 9th vs. Franklin at Home; then Sub-Districts are the week of February 13th-17th (TBD)

High School Boys Basketball

By Quentin

The high school boys are a little bit more than halfway through their season; so far they have 4 wins, in the hopes of finishing the season with more! Coach Simmerman and Assistant Coach Rasmussen said that they are really proud of the high school boys for what they have accomplished. They added, “the boys have some of the best teamwork they have ever seen in a team before”. The first game that the team won was against Palmer in Elba’s Holiday Tournament. The stats were: 35 points all together, but Brendon K. had 15 points, Logan A. had 7 points, and Cody D. had 11. The second game we won was against Heartland Lutheran where Brendon K. had an astonishing 26 points, Logan A. had 9 points, Cody D. had 7, Bryson E. had 2. The third game the team won we played Harvard. Game stats were: Brendon K. and Logan A. each had 18 points, Cody D. had 4 points, and Tyler M. had 2 points. The boys played against Palmer when they received their fourth win with a total score of 52 points. Thanks to all the coaches, student fan base, parents, and relatives for being there for all the players and their teammates.

On Monday, January 30, our three Filipino teachers put on a mini exhibit about the Philippines heritage as part of our cross-cultural program. We are so lucky that have moved to Elba from the Philippines to join our Bluejay nation. They have worked so hard this year to learn about our school system and our American customs. What a blessing they could share their culture with all of us at EPS!

The Elba Public Schools held their annual Christmas Program on Friday, December 16, 2022. The preschool started the program by singing 3 songs: Hello Reindeer, Goodbye Snowman; S-A-N-T-A; and Jingle Bells. The Senior High Band then played Big Band Holiday, and Twelve Days Of Christmas. So the Kindergarten, First, and Second grade students made their way to the stage, the audience sang, Let It Snow. The Kindergarten, First, and Second Grade students then sang: Go Tell it on the Mountain, Last Christmas, and I'm Ready For Christmas. Up next was the Junior High/High School band, and they played: Amazing Love, God Rest ye Merry Gentlemen, and Let Freedom Ring. The Third and Fourth Grade students sang: The Christmas Prayer, The First Noel, and Sing We Now of Christmas. The Fifth and Sixth Grade students performed last with singing: Run Run Rudolph, Just one Candle, and We need a little Christmas. To end the evening, the audience sang: Silent Night.

We have some incredible resources available in our communities. Whether or not families know about them, can access them, or can qualify for them seems to be a major system issue. Moments of crisis for families is something the Behavioral Health System of Care is focusing on, partnering with the **Nebraska Family Helpline** as the #1 resource for help. Helpline operators are trained and can assess immediate safety needs, identify the potential level of crisis, and make recommendations or referrals to appropriate resources. If needed they can help callers connect to emergency resources or providers. The Nebraska Family Helpline can help find providers and community resources for help.
